Class time	10AM to 12PM

Teacher background:

Asalamu Alykom dear parents! Inshallah you are all doing well. I, Faisal and Sister Malak are your kid's teachers for this year. We are very excited to be teaching your kids general Islamic studies and we hope that they will come to you and tell you about all of the fun they had during class!

Both Sister Malak and I love to have a fun, interactive and most importantly an educational class session. For that reason, sometimes we will play jeopardy with the kids, sometimes we will do puzzles, and sometimes we will do interactive lectures, the goal is to always educate through fun.

Description:

In this class we will be covering Akhlaq (manners), History, and Fiqh (Islamic Law).

Students and parents are encouraged to see Hawraa Zakery if they need additional help.
